I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

(A) Amortization of Interest With Scheduled Due Dates

Interest under this Note will accrue at a yearly rate of 8.000 %, subject to any legal limits, on the unpaid principal until the full amount of principal has been paid. The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

(B) Legal Rate of Interest

It is agreed that the total of all interest and other charges that constitute interest shall not exceed the maximum amount allowed by law. Nothing in this Note or the Deed of Trust shall entitle Note Holder upon any contingency (including, but not limited to, payoff statements, prepayment, default, demand for payment or acceleration of the maturity) to contract for, charge or receive interest or other charges that may constitute interest, in excess of the maximum amount allowed by law. All interest paid to Note Holder will, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full stated term (including any renewal and extension) of such indebtedness so that the amount of interest or amount of such indebtedness does not exceed the maximum permitted by applicable law.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making payments every month.

I will make my monthly payments on the 26th day of each month beginning on 06/26/2007. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. My monthly payments will be applied to interest before principal. If, on 05/26/2027, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at Comerica Bank, P.O. Box 650282, Dallas, TX 75265-0282 or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. \$ \$633.57.

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of principal at any time before they are due. A payment of principal before it is due is known as a "prepayment." Whenever I pay to the Note Holder a payment in an amount exceeding the amount then due and payable, unless I otherwise notify the Note Holder in writing, the Note Holder will treat all of such excess amount as a prepayment. The Note Holder will use all of my prepayments to reduce the amount of principal that I owe under this Note, whether or not then due. In that event, there will be no change in the due date or in the amount of any scheduled payment under the loan secured by this Deed of Trust unless the Note Holder agrees in writing to any changes.

The Note Holder shall accept prepayment of a loan in full, or, if the amount tendered is less than the amount required to prepay the loan in full, prepayment of an amount equal to one or more installments at any time during regular business hours.

Partial payments shall be applied to the last matured installments. Partial payments will not allow me to skip monthly payments unless the Note Holder agrees in writing to any change.

5. LOAN CHARGES

All agreements between Note Holder and me are expressly limited so that any interest, loan charges or fees (other than interest) collected or to be collected from me, any owner or the spouse of any owner of the property described above in connection with the origination, evaluation, maintenance, recording, insuring or servicing of the Extension of Credit shall not exceed, in the aggregate, the highest amount allowed by applicable law.

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges contracted for, charged or received in connection with this loan exceed the permitted limits, then: (a) any such loan charges shall be reduced by the amount necessary to reduce the charges to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder will make this refund by making a payment to me. The Note Holder's payment of any such refund will extinguish any right of action I might have arising out of such overcharge.

It is the express intention of the Note Holder and me to structure this Extension of Credit to conform to the provisions of the Texas Constitution applicable to extensions of credit as defined by Section

TEXAS HOME EQUITY NOTE - Page 2

50(a)(6), Article XVI of the Texas Constitution. If, from any circumstance whatsoever, any promise, payment, obligation or provision of this Note, the Deed of Trust or any other loan document involving this Extension of Credit transcends the limit of validity prescribed by applicable law, then such promise, payment, obligation or provision shall be reduced to the limit of such validity or eliminated as a requirement and such document may be reformed by written notice from the Note Holder without the necessity of the execution of any new amendment or new document by me.

The provisions of this Section 5 shall supersede any inconsistent provision of this Note or the Deed of Trust.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 10 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5% of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay the loan in full, which includes the full amount of principal which has not been paid and all the interest that I owe on that amount. The date that the entire loan amount must be paid in full must be at least 30 days after the date on which the notice is mailed to me or delivered by other means. This Note may not be accelerated because of a decrease in the market value of the property described above or because of my default under any indebtedness except indebtedness secured by a prior valid encumbrance against my residence.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay in full as described above, the Note Holder will have the right to be paid back by me for all of its lawfully permitted costs and expenses in enforcing this Note, to the extent not prohibited by applicable law including Section 50(a)(6), Article XVI of the Texas Constitution. Those expenses include, for example, reasonable attorneys' fees. I understand that these expenses are not contemplated as fees to be incurred in connection with maintaining or servicing this Extension of Credit.

(F) Not Sufficient Funds Fees

If I make any payment by check, negotiable order of withdrawal, share draft, or other instrument which is returned or dishonored for any reason by a financial institution, I agree to pay a check collection charge of twenty-five dollars (\$25.00).

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given in writing by mailing it by first class mail to the Note Holder at the address stated below or at a different address if I am given a notice of that different address:

Comerica Bank
Attn: Credit Report Disputes Area
P.O. Box 75000
Detroit, MI 48275-7240

However, if the purpose of the notice is to notify Note Holder of failure by the Note Holder to comply with obligations under this Extension of Credit, or noncompliance with any provisions of the Texas Constitution applicable to extensions of credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution, then notice may be given in any manner permitted by applicable law, although notice by certified mail is preferred.

8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

Subject to the limitation of personal liability described below, each person who signs this Note is responsible for ensuring that all of the Borrower's promises and obligations in this Note are performed, including the payment of the full amount owed. Any person who takes over these obligations is also responsible.

I understand that Section 50(a)(6)(C), Article XVI of the Texas Constitution provides that this Note is given without personal liability against each owner of the property described above and against the spouse of each owner unless the owner or spouse obtained this Extension of Credit by actual fraud. This means that, absent such actual fraud, the Note Holder can enforce its rights under this Note solely against the property described above and not personally against any owner of such property or the spouse of an owner.

If this Extension of Credit is obtained by such actual fraud, I will be personally liable for the payment of any amounts due under this Note. This means that a personal judgment could be obtained against me if I fail to perform my responsibilities under this Note, including a judgment for any deficiency that results from Note Holder's sale of the property described above for an amount less than is owing under this Note.

If not prohibited by Section 50(a)(6)(C), Article XVI of the Texas Constitution, this Section 8 shall not impair in any way the right of the Note Holder to collect all sums due under this Note or prejudice the right of the Note Holder as to any promises or conditions of this Note.

9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

10. APPLICABLE LAW

This Note shall be governed by the laws of the State of Texas and any applicable federal law. In the event of any conflict between the Texas Constitution and other applicable law, it is the intent that the provisions of the Texas Constitution shall be applied to resolve the conflict. In the event of a conflict between any provision of this Note and applicable law, the applicable law shall control to the extent of such conflict and the conflicting provisions contained in this Note shall be modified to the extent necessary to comply with applicable law. All other provisions in this Note will remain fully effective and enforceable.

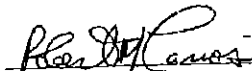

11. SECURED NOTE

In addition to the protections given to the Note Holder under this Note, the Deed of Trust protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Deed of Trust describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note less any unearned amounts. Some of those conditions are described as follows:

If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Note Holder's prior written consent, Note Holder may, at its option, require immediate payment in full of all sums secured by this Deed of Trust less any unearned amounts. However, this option shall not be exercised by Note Holder if exercise is prohibited by federal law as of the date of this Deed of Trust.

If Note Holder exercises this option and Borrower fails to pay these sums as required by Note Holder, Note Holder may invoke any remedies permitted by this Deed of Trust in accordance with applicable law. For purposes of this paragraph, the phrase "sold or transferred" shall also include, but not be limited to, the making of all or any part of the Property or any interest in it the subject of a bond for deed, contract for deed, installment sales contract, escrow agreement or similar arrangement the intent of which is the transfer of title by Borrower at a future date to a third-party purchaser.

THIS SECURITY INSTRUMENT SECURES AN EXTENSION OF CREDIT AS DEFINED BY SECTION 50(a)(6),
ARTICLE XVI OF THE TEXAS CONSTITUTION.

COMERICA Texas Home Equity Deed of Trust

This Deed of Trust is not intended to finance Borrower's acquisition of the Property.

THIS DEED OF TRUST is made on 05/17/2007 The grantor is
Roberto M Larios and Janie Santana ("Borrower").

The trustee is Melinda A. Chausse, whose address is 1601 Elm Street, Dallas, TX ("Trustee").

The beneficiary is COMERICA BANK, a Michigan banking corporation, whose address is
One Detroit Center 500 Woodward Ave Detroit, MI 48226 ("Lender").

Borrower owes Lender the principal sum of SEVENTY-FIVE THOUSAND FIVE HUNDRED FORTY-EIGHT AND 00/100 Dollars
(U.S. \$ 75,548.00). This debt is an extension of credit as defined by Section 50(a)(6), Article XVI of
the Texas Constitution (referred to herein as the "Extension of Credit") and is evidenced by Borrower's note dated the
same date as this Deed of Trust (the "Note"), which provides for monthly payments, with the full debt, if not paid
earlier, due and payable on 05/26/2027. This Deed of Trust secures to Lender: (a) the
repayment of the debt evidenced by the Note, with interest, and all renewals, extensions and modifications of the Note;
(b) the payment of all other sums, with interest, advanced under Section 7 to protect the security of this Deed of
Trust; and (c) the performance of Borrower's covenants and agreements under this Deed of Trust and the Note. For
this purpose, Borrower irrevocably grants and conveys to Trustee, in trust, with power of sale, the following
described property located in Harris County, Texas which currently has the address of
4625 Clay St, Houston, TX 77023 ("Property Address").

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements,
appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be
covered by this Deed of Trust. All of the foregoing is referred to in this Deed of Trust as the "Property;" provided
however, that the Property is limited to homestead property in accordance with Section 50(a)(6)(H), Article XVI of the
Texas Constitution.

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right
to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record.
Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any
encumbrances of record.

Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Late Charges.** Borrower shall promptly pay when due the
principal of and interest on the debt evidenced by the Note and any late charges due under the Note.

2. **Application of Payments.** If principal and interest are amortized monthly, all payments that are
received by Lender and made by Borrower in the full amount then due as set forth in the Note shall be applied: first, to
interest due; second, to principal due; and last, to any late charges due under the Note. If Borrower pays any
scheduled payment(s) in advance, Lender shall apply these amounts on the scheduled due dates as set forth in the Note.
If interest accrues daily under the Note, all payments that are received by Lender and made by Borrower in the full
amount then due shall be applied first to any interest (including but not limited to any accrued interest) due and second
to principal due.

If Borrower is in default (as set forth in Section 14), Lender may apply any payments, proceeds or amounts
received by Lender at such time and in any manner or in any order that Lender may determine in Lender's
discretion, notwithstanding any other provisions of this Section 2.

Any property insurance proceeds received by Lender shall be applied in the manner set forth in Section 5.
Any other proceeds of any award or claim for damages, payments for partial release of security, or any other amounts
of any kind received by Lender shall be applied by Lender to the sums secured by this Deed of Trust in any manner and in
any order determined by Lender, whether or not then due, subject to applicable law.

3. **Prior Deeds of Trust.** Borrower shall perform all of Borrower's obligations under any deed of trust,
security instrument or other security agreement, which has priority over this Deed of Trust, including Borrower's

covenants to make payments when due. Borrower agrees that should default be made in the payment of any note secured by any prior valid encumbrance against the Property, or in any of the covenants of any prior deed of trust or other security agreement, then the Note secured by this Deed of Trust, at the option of Lender, shall at once become due and payable. Lender may, but shall not be obligated to, advance monies to protect Lender's lien position and add the amount of such advances to Borrower's loan amount.

4. **Charges and Liens.** Borrower shall pay or cause to be paid all taxes, condominium and planned unit development fees or assessments, sewer, water and other utility charges or fees, and other assessments, charges, fines and impositions attributable to the Property that may attain priority over this Deed of Trust, and leasehold payments or ground rents, if any.

5. **Hazard or Property Insurance.** Borrower must insure the Property described in this Deed of Trust against reasonable risks of loss, damage and destruction. The insurance coverage must bear a reasonable relationship to (a) the amount, term and conditions of the loan; (b) the value of the Property; and (c) the existing hazards or risks of loss, damage or destruction. Ordinarily, property insurance covers or insures the Property against loss by fire and other hazards included within the term "extended coverage." Whenever the Property is located in an area that has been identified by the Federal Emergency Management Agency as an area having special flood hazards, Borrower must obtain flood insurance.

Borrower has the option to furnish the required insurance coverage through an insurance policy that is in existence and that is owned or controlled by Borrower or an insurance policy obtained from an insurance company authorized to do business in Texas.

Borrower shall pay all insurance premiums when due. Lender shall be named as mortgagee loss payee on any insurance policy obtained by Borrower that insures the Property. In the event of loss, Borrower shall give prompt notice to any insurer of the Property and Lender. Lender may make proof of loss if not made promptly by Borrower.

Insurance proceeds shall be applied first to reimburse Lender for lawfully permitted costs and expenses incurred in connection with obtaining any such insurance proceeds, and then to restoration and repair of the Property, if the restoration or repair is economically feasible. If the restoration or repair is not economically feasible, the insurance proceeds shall be applied to the sums secured by this Deed of Trust, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, Lender shall be entitled to receive the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay the sums secured by this Deed of Trust, whether or not then due.

If the Property is sold by court order or at a foreclosure sale or Lender acquires title to the Property, Lender shall automatically succeed to all rights of Borrower in and to any insurance policies and unearned insurance premiums and in and to the proceeds resulting from any damage to the Property prior to such sale or acquisition.

If insurance proceeds paid to Lender do not pay all amounts Borrower owes under the loan documents, Borrower is responsible for the balance, to the extent permitted by law.

6. **Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application.** Borrower now occupies and uses the Property as Borrower's Texas homestead and shall continue to occupy the Property as Borrower's Texas homestead for at least one year after the date of this Deed of Trust. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Deed of Trust or Lender's security interest. Borrower may cure such a default prior to acceleration by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of Borrower's interest in the Property or other material impairment of the lien created by this Deed of Trust or Lender's security interest. Subject to applicable law, Borrower shall also be in default and may be held personally liable for debt evidenced by the Note or this Deed of Trust if Borrower gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a Texas homestead.

7. **Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Deed of Trust, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender, so far as allowed by applicable law, may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Deed of Trust, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this Section 7, Lender does not have to do so. No powers are granted by Borrower to the Lender or Trustee that would violate provisions of the Texas Constitution applicable to extensions of credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution or other applicable law.

Any amounts disbursed by Lender under this Section 7 shall become additional debt of Borrower secured by this Deed of Trust. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. **Condominiums, Planned Unit Developments.** If this Deed of Trust is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants

creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents.

9. **Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. **Condemnation.** Subject to the terms of any superior deed of trust or security agreement, the proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, shall be paid to Lender to be applied to the sums secured by this Deed of Trust.

In the event of a total or partial taking of the Property, the proceeds shall be applied to the sums secured by this Deed of Trust, whether or not then due, with any excess paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Deed of Trust, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in Section 1 or change the amount of such payments.

11. **Sale of Note; Change of Loan Servicer; Notice of Grievance; Lender's Right-to-Comply.** The Note or a partial interest in the Note (together with this Deed of Trust) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Deed of Trust and performs other mortgage loan servicing obligations under the Note, this Deed of Trust, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Extension of Credit is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Deed of Trust or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Deed of Trust, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 17) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. For example, Section 50(a)(6)(Q)(x), Article XVI of the Texas Constitution, generally provides that a lender has 60 days to comply with its obligations under the extension of credit after being notified by a borrower of a failure to comply with any such obligation. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 21 and the notice of acceleration given to Borrower pursuant to Section 13 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 11.

It is Lender's and Borrower's intention to conform strictly to provisions of the Texas Constitution applicable to Extensions of Credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution.

All agreements between Lender and Borrower are hereby expressly limited so that in no event shall any agreement between Lender and Borrower, or between either of them and any third party, be construed not to allow Lender 60 days after receipt of notice to comply, as provided in this Section 11, with Lender's obligations under the Extension of Credit to the full extent permitted by Section 50(a)(6), Article XVI of the Texas Constitution. Borrower understands that the Extension of Credit is being made on the condition that Lender shall have 60 days after receipt of notice to comply with the provisions of Section 50(a)(6), Article XVI of the Texas Constitution. As a precondition to taking any action premised on failure of Lender to comply, Borrower will advise Lender of the noncompliance by a notice given as required by Section 17, and will give Lender 60 days after such notice has been received by Lender to comply. Except as otherwise required by Applicable Law, only after Lender has received said notice, has had 60 days to comply, and Lender has failed to comply, shall all principal and interest be forfeited by Lender, as required by Section 50(a)(6)(Q)(x), Article XVI of the Texas Constitution in connection with failure by Lender to comply with its obligations under this Extension of Credit. Borrower will cooperate in reasonable efforts to correct any failure by Lender to comply with Section 50(a)(6), Article XVI of the Texas Constitution.

In the event that, for any reason whatsoever, any obligation of Borrower or of Lender pursuant to the terms or requirements hereof or of any other loan document shall be construed to violate any of the provisions of the Texas Constitution applicable to Extensions of Credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution, then any such obligation shall be subject to the provisions of this Section 11, and the document may be reformed, by written notice from Lender, without the necessity of the execution of any amendment or new document by Borrower, so that Borrower's or Lender's obligation shall be modified to conform to the Texas Constitution, and in no event shall Borrower or Lender be obligated to perform any act, or be bound by any requirement which would conflict therewith.

All agreements between Lender and Borrower are expressly limited so that any interest, Extension of Credit charge or fee collected or to be collected (other than by payment of interest) from Borrower, any owner or the spouse of any owner of the Property in connection with the origination, evaluation, maintenance, recording, insuring or servicing of the Extension of Credit shall not exceed, in the aggregate, the highest amount allowed by Applicable Law.

It is the express intention of Lender and Borrower to structure this Extension of Credit to conform to the provisions of the Texas Constitution applicable to Extensions of Credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution. If, from any circumstance whatsoever, any promise, payment, obligation or provision of the Note, this Deed of Trust or any other loan document involving this Extension of Credit transcends the limit of the validity prescribed by Applicable Law, then any promise, payment, obligation or provision shall be reduced to the limit of such validity, or eliminated as a requirement if necessary for compliance with such law, and such document may be reformed, by written notice from Lender, without the necessity of the execution of any new amendment or new document by Borrower.

Lender's right-to-comply as provided in this Section 12 shall survive the payoff of the Extension of Credit. The provision of this Section 12 will supersede any inconsistent provision of the Note or this Deed of Trust.

13. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Deed of Trust less any unearned amounts. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Deed of Trust. If Lender exercises this option and Borrower fails to pay these sums as required by Lender, Lender may invoke any remedies permitted by this Deed of Trust in accordance with applicable law. For purposes of this Section 13, the phrase "sold or transferred" shall also include, but not be limited to, the making of all or any part of the Property or any interest in it the subject of a bond for deed, contract for deed, installment sales contract, escrow agreement or similar arrangement the intent of which is the transfer of title by Borrower at a future date to a third-party purchaser.

14. Default. Borrower shall be in default under this Deed of Trust if Borrower fails to perform any of Borrower's obligations under the Note or this Deed of Trust, including but not limited to Borrower's obligations to:

- (a) make all scheduled payments in the full amounts when due;
- (b) pay or cause to be paid any amounts required by Sections 4 or 5;
- (c) comply with the provisions of Sections 9 or 23; or
- (d) perform any of Borrower's obligations under any deed of trust or other security agreement with a lien that has priority over this Deed of Trust.

Borrower shall be in default under this Deed of Trust if Borrower increases, renews, extends, amends, modifies, or refinances any deed of trust or other security agreement with a lien that has priority over this Deed of Trust, without the prior written consent of Lender.

15. Forbearance By Lender Not a Waiver; Borrower Not Released to the Extent Permitted by Law. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy. Lender's acceptance of an amount that is less than all amounts then due and payable shall not be a waiver of the obligation to pay promptly the unpaid amounts. Extension of the time for payment or modification of amortization of the sums secured by this Deed of Trust granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Deed of Trust by reason of any demand made by the original Borrower or Borrower's successors in interest.

16. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Deed of Trust shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of Sections 13 and 25. Borrower's covenants and agreements shall be joint and several subject to the provisions of Section 25. Any Borrower who co-signs this Deed of Trust, but does not execute the Note; (a) is co-signing this Deed of Trust only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Deed of Trust or to comply with the requirements of Section 50(a)(6)(A), Article XVI of the Texas Constitution providing for execution hereof, in order to establish a valid lien, by the spouse of each owner of the Property; (b) is not personally obligated to pay the sums secured by this Deed of Trust; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Deed of Trust or the Note without that Borrower's consent.

17. Notices. Any notice to Borrower provided for in this Deed of Trust shall be given in writing by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given in writing by first class mail (but, by certified mail if the notice is given pursuant to Section 23 hereof) to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Deed of Trust shall be deemed to have been given to Borrower or Lender when given as provided in Section 17.

18. Governing Law; Severability. This Deed of Trust shall be governed by any applicable federal law and the laws of Texas. In the event that any provision or clause of this Deed of Trust or the Note conflicts with applicable

law, such conflict shall not affect other provisions of this Deed of Trust or the Note which can be given effect without the conflicting provision. To this end the provisions of this Deed of Trust and the Note are declared to be severable.

19. **Clerical Errors.** If Lender discovers that the Note, this Deed of Trust or any other document or instrument executed in connection with the Note contains an error that was caused by clerical mistake, calculation error, computer malfunction, printing or similar error, Borrower and Lender agree that Lender may correct to the extent permitted by law such error(s) in a manner deemed reasonable by Lender.

20. **Loan Administration Errors.** If Lender determines that Lender or Loan Servicer has committed an error in the administration or servicing of the debt evidenced by the Note and secured by this Deed of Trust, which error was caused by clerical mistake, calculation error, computer malfunction, printing or similar error, Borrower and Lender agree that Lender may to the extent permitted by law adjust the outstanding loan balance, maturity date, scheduled payment amount and due date, interest rate, or any other terms of the debt evidenced by this Note and secured by this Deed of Trust in a manner deemed reasonable by Lender to correct any such error.

21. **Acceleration; Remedies.** If the Property secured by this Deed of Trust is the Borrower's residence, Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Deed of Trust (but not prior to acceleration under Section 13 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 20 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice will result in acceleration of the sums secured by this Deed of Trust and sale of the Property. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Deed of Trust without further demand and may invoke any remedies permitted by applicable law. Insofar as allowed by Section 50(a)(6), Article XVI of the Texas Constitution and the Texas Credit Title, Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 21, including, but not limited to, court costs, reasonable attorneys' fees and costs of title evidence.

The lien evidenced by this Deed of Trust may be foreclosed upon only by a court order. Lender may, at its option, follow any rules of civil procedure promulgated by the Texas Supreme Court for expedited foreclosure proceedings related to the foreclosure of liens under Section 50(a)(6), Article XVI of the Texas Constitution ("Rules"), as amended from time to time, which are hereby incorporated by reference. The power of sale granted herein shall be exercised pursuant to such Rules, and Borrower understands that such power of sale is not a confession of judgment or a power of attorney to confess judgment or to appear for the Borrower in a judicial proceeding.

22. **Power of Sale.** It is the express intention of Lender and Borrower that Lender shall have a fully enforceable lien on the Property. It is also the express intention of the Lender and Borrower that Lender's default remedies shall include the most expeditious means of foreclosure available by law. Accordingly, the Lender and Trustee shall have all the powers provided herein except insofar as may be limited by the Texas Supreme Court. To the extent the Rules do not specify a procedure for the exercise of a power of sale, the following provisions of this Section 22 shall apply, if Lender invokes the power of sale. Lender or Trustee shall give notice of the time, place and terms of sale by posting and filing the notice at least 21 days prior to sale as provided by applicable law. Lender shall provide a copy of the notice of sale to Borrower in the manner prescribed by applicable law. Sale shall be made at public venue between the hours of 10 a.m. and 4 p.m. on the first Tuesday of the month. Borrower authorizes Trustee to sell the Property to the highest bidder for cash in one or more parcels and in any order Trustee determines. Lender or its designee may purchase the Property at any sale. In the event of any conflict between such procedure and the Rules, the Rules shall prevail, and this provision shall automatically be reformed to the extent necessary to comply.

Trustee shall deliver to the purchaser who acquires title to the Property pursuant to the foreclosure of the lien a Trustee's deed conveying indefeasible title to the Property with covenants of general warranty. Borrower covenants and agrees to defend generally the purchaser's title to the Property against all claims and demands. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, court costs and reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Deed of Trust; and (c) any excess to the person or persons legally entitled to it.

If the Property is sold pursuant to this Section 22, Borrower or any person holding possession of the Property through Borrower shall immediately surrender possession of the Property to the purchaser at that sale. If possession is not surrendered, Borrower or such person shall be a tenant at sufferance and may be removed by writ of possession.

Lender, at its option and with or without cause, may from time to time remove Trustee and appoint, by power of attorney or otherwise, a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.

23. **Extension of Credit Charges; Lender's Right-to-Comply.** It is Lender's and Borrower's intention to conform strictly to provisions of the Texas Constitution applicable to extensions of credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution.

In the event that, for any reason whatsoever, any obligation of Borrower or of Lender pursuant to the terms or requirements hereof or of any other loan document shall be construed to violate any of the provisions of the Texas Constitution applicable to extensions of credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution, then any such obligation shall be subject to the provisions of this Section 23, and such document shall be automatically reformed, without the necessity of the execution of any amendment or new document, so that

Borrower's or Lender's obligation shall be modified to conform to the Texas Constitution, and in no event shall Borrower or Lender be obligated to perform any act, or be bound by any requirement which would conflict therewith.

All agreements between Lender and Borrower are expressly limited so that any interest, loan charge or fee collected or to be collected (other than by payment of interest) from Borrower, any owner or the spouse of any owner of the Property in connection with the origination, evaluation, maintenance, recording, insuring or servicing of the Extension of Credit shall not exceed, in the aggregate, the highest amount allowed by applicable law.

If a law, which applies to this loan and which sets maximum interest, loan charges or fees is finally interpreted so that the interest, loan charges or fees that the Lender has collected or is entitled to collect in connection with this loan exceed the permitted limits, or a determination is made at any time by Lender that interest, loan charges or fees that the Lender has collected or is entitled to collect in connection with this loan exceed the permitted limit, then: (a) any such interest, loan charges or fees shall be reduced by the amount necessary to reduce the interest, loan charges or fees to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. The Lender will make this refund by making a payment to Borrower. The Lender's payment of any such refund will extinguish any right of action Borrower might have arising out of such overcharge.

It is the express intention of Lender and Borrower to structure this Extension of Credit to conform to the provisions of the Texas Constitution applicable to extensions of credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution. If, from any circumstance whatsoever, any promise, payment, obligation or provision of the Note, this Deed of Trust or any other loan document involving this Extension of Credit transcends the limit of validity prescribed by applicable law, then any promise, payment, obligation or provision shall be reduced to the limit of such validity, or eliminated as a requirement if necessary for compliance with such law, and such document shall be automatically reformed without the necessity of the execution of any new amendment or new document by Borrower.

Lender's right-to-comply as provided in this Section 23 shall survive the payoff of the Extension of Credit. The provision of this Section 23 shall supersede any inconsistent provision of the Note or this Deed of Trust.

24. Release. Within a reasonable time after termination and full payment of the Extension of Credit, the Lender shall cancel and return the Note to the owner of the Property and give the owner, in recordable form, a release of the lien securing the Extension of Credit or a copy of an endorsement of the Note and assignment of the lien to a lender that is refinancing the Extension of Credit. Owner shall pay only recording costs. **OWNER'S ACCEPTANCE OF SUCH RELEASE, OR ENDORSEMENT AND ASSIGNMENT, SHALL EXTINGUISH ALL OF THE LENDER'S OBLIGATIONS UNDER SECTION 50, ARTICLE XVI OF THE TEXAS CONSTITUTION.**

25. Non-Recourse Liability. Lender shall be subrogated to any and all rights, superior title, liens and equities owned or claimed by any owner or holder of any liens and debts outstanding immediately prior to execution hereof, regardless of whether said liens or debts are acquired by Lender by assignment or are released by the holder thereof upon payment.

Subject to the limitation of personal liability described below, each person who signs this Deed of Trust is responsible for ensuring that all of Borrower's promises and obligations in the Note and this Deed of Trust are performed.

Borrower understands that Section 50(a)(6)(C), Article XVI of the Texas Constitution provides that the Note is given without personal liability against each owner of the Property and against the spouse of each owner unless the owner or spouse obtained this Extension of Credit by actual fraud. This means that, absent such actual fraud, the Lender can enforce its rights under this Deed of Trust solely against the Property and not personally against the owner of the Property or the spouse of an owner.

If this Extension of Credit is obtained by such actual fraud, then, subject to Section 16, Borrower will be personally liable for the payment of any amounts due under the Note or this Deed of Trust. This means that a personal judgment could be obtained against Borrower. If Borrower fails to perform Borrower's responsibilities under the Note or this Deed of Trust, including a judgment for any deficiency that results from Lender's sale of the Property for an amount less than is owing under the Note, thereby subjecting Borrower's other assets to satisfaction of the debt.

If not prohibited by Section 50(a)(6)(C), Article XVI of the Texas Constitution, this Section 25 shall not impair in any way the lien of this Deed of Trust or the right of Lender to collect all sums due under the Note and this Deed of Trust or prejudice the right of Lender as to any covenants or conditions of the Note and this Deed of Trust.

26. Copies. Borrower shall be given at the time this Extension of Credit is made, a copy of all documents signed by the Borrower related to the Extension of Credit.

27. No Unauthorized Fees. Borrower has not paid any fee not disclosed in the HUD-1 or HUD-1A Settlement Statement.

28. Proceeds. The Borrower has not been required to apply the proceeds of the Extension of Credit to repay another debt except a debt secured by the Property or a debt to another lender.

29. **No Assignment of Wages.** The Borrower has not assigned wages as security for the Extension of Credit.

30. **One Section 50(a)(6) Loan.** Borrower acknowledges and represents that this Deed of Trust will secure the only Extension of Credit as defined by Section 50(a)(6), Article XVI of the Texas Constitution after funding.

31. **Acknowledgment of Fair Market Value.** Lender and Borrower have executed a written acknowledgment as to the fair market value of Borrower's Property on the date the Extension of Credit is made.

32. **Acknowledgment of Waiver by Lender of Additional Collateral.** Borrower acknowledges that Lender waives all terms in any of Lender's loan documentation (whether existing now or created in the future) which (a) create cross default; (b) provide for additional collateral; and/or (c) create personal liability for any Borrower (except in the event of actual fraud), for the Extension of Credit. This waiver includes, but is not limited to, any (a) guaranty; (b) cross collateralization; (c) future indebtedness not secured by this Deed of Trust; (d) cross default; and/or (e) dragnet provisions in any loan documentation with Lender.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Deed of Trust and in any rider(s) executed by Borrower and recorded with it.
